

INFORMATION SHEET

Institution / School	Oulu University of Applied Sciences / School of Engineering, Oulu and Raahe Campus
Erasmus Code	SF OULU11
EUC Number (Charta)	29497-IC-1-2007-1-FI-ERASMUS-EUCX-1
Websites	Oulu Campus: http://www.oamk.fi/tekniikka/english/ Raahe Campus: http://www.oamk.fi/raahe/english/
Number of Students & Staff	Approx. 2600 students and 200 staff members at the School of Engineering
Cities & Number of Inhabitants	Oulu: 140 000 Raahe: 23 000 (N.B.! Located 75 km south of Oulu!)
Academic Year & Term Dates	Academic year: September - May Autumn term: September - December (Period 1 & 2) Spring term: January – May (Period 3,4 & 5) Each term is divided into periods, and a week of holidays in late November and March, as well as Christmas and Easter holidays.
Deadlines for application (Erasmus, guest students)	Autumn term: 31 May Spring term: 31 October
Studies in Finnish	http://www.oamk.fi/tekniikka/english/studies/ Finnish-language degree programmes on Bachelor level (4 years, 240 ECTS cr, BEng): <ul style="list-style-type: none"> - Mechanical and Production Engineering (Oulu/Raahe) - ICT (Software Development & Wireless Devices) (Oulu/Raahe) - Medical Engineering (Oulu) - Automation Engineering (Oulu) - Civil Engineering & Construction Management (Oulu) - Building Services (Oulu) - Laboratory Sciences (Oulu, 3.5 years, 210 ECTS cr, BLS) - Business Economics (Raahe, 3.5 years, 210 ECTS cr, BBA) - Business Information Systems (Raahe, 3.5 years, 210 ECTS cr, BBA)
Studies in English	http://www.oamk.fi/tekniikka/english/studies/english/ English-language degree programmes on Bachelor level <ul style="list-style-type: none"> - Information Technology (Oulu) (4 years, 240 ECTS cr, Beng, commenced in autumn 2011) Application in January-February English-language degree programmes on Master level: <ul style="list-style-type: none"> - Information Technology (1-2 years, 60 ECTS cr, MEng) - Industrial Management (1-2 years, 60 ECTS cr, Meng) Application in March-April English-language Professional Specialisation Studies: <ul style="list-style-type: none"> - Business Engineering (5-6 months, 30 ECTS, September-February) Application in April-May English-language instructed courses and project works in various fields of engineering, 5 – 30 ECTS cr, depending on department, see link above!
ECTS Guide & Practical Information	http://www.oamk.fi/english/ects , includes information about Oulu UAS' schools, ECTS crediting and grading system, curricula, health care etc.

<p>Application & Admission Procedure (Erasmus SMS, SMP and others)</p>	<p>Online via Exchange Student Application System (ESA) at http://www.oamk.fi/tekniikka/english/international/incoming_students/application/ International Coordinator at Oulu UAS will assess online application and contact student/staff, guide through preparation and documentation of mobility activity.</p> <p>Students applying for studies (courses and project works) or practical training are required to have a suitable study background and a minimum of approx. 1.5 years' studies at their home university. In addition, they should have sufficient English language skills (at least B1, preferably B2 level according to the Common European Framework of Reference for Languages). Eligibility criteria for Bachelor/Master/Professional Specialisation studies are mentioned also separately.</p> <p>Admission decisions for exchange students will be made after the application deadline, for the spring term in the second week of November, and for the autumn term in the second week of June. Students will be sent a Letter of Acceptance and Welcome Letter. Orientation Days will be arranged at the beginning of each term, and a peer (international) tutor will be assigned to each incoming student to facilitate a good mobility experience.</p>
<p>Application & Admission Procedure (Erasmus STA, STT and others)</p>	<p>Contact the International Coordinator at the Oulu or Raahe Campus. Coordinator will provide further contacts on departmental level and guide through the administrative and academic preparations and documentation. Google Docs (spreadsheets and documents) is being used as a joint effort to plan and arrange mobility activities by means of social media and ict at Oulu Campus.</p> <p>The School of Engineering is especially interested in combining mobility activities with possibilities of deeper international cooperation, such as curriculum development (joint degree or exchange programmes, competence-based and project-based studies) and research, development and innovation projects, see internationalisation chart.</p> <p>Admission will be granted according to common standards and procedures in international mobility and education.</p>
<p>Research, Development & Innovation</p>	<p>Contact RDI staff and cc International Coordinator in your enquiry. http://www.oamk.fi/tekniikka/english/rd</p>
<p>Accommodation for Students</p>	<p>Student Dormitories Otokylä (Oulu) and Dormitories (Raahe) via ESA application, others by own means, see ECTS Guide and contact International Coordinator at Oulu/Raahe Campus. Rental costs amount to 200 - 250 €/month, living expenses to 400 - 500 €/month.</p>
<p>Accommodation for Staff</p>	<p>Hotel Scandic for preferential price, other (more affordable) possibilities upon request and enquiry via International Coordinator, see Google Docs upon application.</p>
<p>Contact Persons</p>	<p>School of Engineering, Departmental contacts at Oulu Campus:</p> <ul style="list-style-type: none"> - Mr Bastian Fähnrich, International Coordinator (EU/EEA/Switzerland), Oulu UAS, School of Engineering, Oulu Campus Kotkantie 1, FIN-90250 Oulu Tel. +358 10 27 23536; E-Mail: bastian.fahnrich@oamk.fi - Ms Katja Kurasto, International Coordinator (Non-EU, Practical Training), Oulu UAS, School of Engineering, Oulu Campus Tel. +358 10 27 22576; E-Mail: katja.kurasto@oamk.fi <p>School of Engineering, Departmental contact at Raahe Campus:</p> <ul style="list-style-type: none"> - Ms Tiina Ovaska, International Coordinator Oulu UAS, School of Engineering, Raahe Campus Rantakatu 5-7, FIN-92101 Raahe Tel. +358 10 272 1048; E-mail: tiina.ovaska@oamk.fi <p>Oulu UAS, Main International Office, Institutional Contact:</p> <ul style="list-style-type: none"> - Mr Sami Niemelä, PO Box 222, FIN-90101 Oulu, Tel. +358 10 27 22848, Fax +358 10 27 21380; E-Mail: sami.niemela@oamk.fi
<p>Additional Information</p>	<p>Incoming students are advised to take part in the Finnish Survival Course (3 ECTS cr) and possibly also English language course (3 ECTS cr) in order to get acquainted with their study environment, and to make themselves familiar with Finnish and other cultures. In addition, Oulu UAS offers Circumpolar Studies online via the University of the Arctic.</p>
