

Applying for Student's Financial Aid for Summer Months

FINANCIAL AID FOR SUMMER MONTHS

You can apply financial aid (opintotuki) for summer months (June, July, August) by using the Kela's online service at www.kela.fi/asiointi (in Finnish) or the Notification of changes - Financial aid for students –form, OT 15e (www.kela.fi/web/en/forms).

When applying financial aid for summer months you don't need to inform Kela about the studies planned for summer months. Kela will grant financial aid for summer months according to your application.

ELIGIBLE FOR FINANCIAL AID?

If you are not a Finnish citizen and have come to Finland for study purposes, the general rule is that you cannot get financial aid for students. **Financial aid for students is available to non-citizens of Finland in some cases.** See more information on Kela's webpages: www.kela.fi/web/en/financial-aid-for-students-eligibility#foreignstudents

QUESTIONS?

If you have questions whether you are eligible for financial aid for students or some other questions about Kela's supports, please call to Kela's customer service 020 634 2550. The service is open Monday through Friday 9 am to 3 pm.

Study Grant Services of Oulu University of Applied Sciences will give general guidance for students who receive financial aid.
